

Complete Package (ZIP) - Contents Guide

This document explains everything inside **SRBS-App-Complete-Package-v1.0.zip** (32 MB, 251 files). This ZIP is the school's **master backup** - keep a copy on Google Drive and on the school computer.

Folder	What is inside	Why it is important
README-PEHLE-YE-PADHO.txt	Quick guide in simple language	Read this first.
1-App-APK	SRBS-International-School-v1.0.apk (28 MB)	The installable app. Share via WhatsApp/website; installs over older versions without data loss.
2-Documents	Official 10-page documentation PDF, Play Store checklist (Hindi), privacy policy (web page), demo script, Firebase guide, school presentation	Everything needed to present the app, publish on Play Store, and understand every feature and limitation.
3-Firebase-Rules	firestore.rules, database.rules.json, firebase.json, .firebaserc	CRITICAL: server security rules. If rules ever get changed or broken, paste these into Firebase Console and Publish to restore full security.
4-Source-Code	Complete Flutter project (90 Dart files, android config, assets)	The app's original files. Any developer can update or rebuild the app in future ONLY with this. Never lose it.
5-School-Logo	school_logo.png (original 1024px), app_icon.png	Official logo assets used in the app.

Important Notes

#	Note
1	Version: 1.0 - first official release (September 2026).
2	Firebase project: never-miss-bus-c67b5 (school's own Google account, FREE Spark plan, Rs. 0/month).
3	This ZIP contains NO passwords. Keep the school's Google account login separately and safely.
4	For future app updates, give folder 4-Source-Code to the developer.
5	Upload this ZIP to Google Drive today - it is the complete backup of the whole project.
